SIUC aims to create leaders, innovative thinkers, and problem solvers – people capable of tackling the most pressing world challenges. We aim to produce quality graduates capable of performing in demanding work environments.

Each of our academic, vocational and adult learning programmes are designed to equip students with the knowledge and skills they need for a rewarding and successful career. We constantly review and renew our courses based on the local and international industry requirements, so that they are relevant, modern and qualify students for careers throughout in the world. We are proud to have 24 years' experience in delivering education service and currently have more than 1,000 students and staffs working together, exploring new ways of thinking and engaging with significant social and scientific challenges of our time.

Chairman Board Of Directors Message

Prof. Emeritus Tan Sri Dato' Dr. Mohamed Salleh Mohamed Yasin

I am indeed honoured to be officially leading this young and gallant team, comprising some formidable professionals who have had extensive administrative and teaching experience. Together we will push SIUC to another height and work tirelessly to make SIUC the chosen place for young generations to pursue their Dreams'. This, of course requires hard work, determination, resilience, no compromises on standards and quality as well as active involvement of all parties involved. As we have great plans for the future ahead, God willing with His Blessing, SIUC will serve you **'A Better Education For A Better Future'.**

Vice Chancellor Message

Prof. Emeritus Dr. Mak Chai

In our rapidly changing world, education transcends the mere acquisition of knowledge. It's the art of moulding individuals capable of flourishing in a diverse and ever-evolving global landscape. At SIUC our unwavering commitment is to foster an inclusive, welcoming environment for all students, regardless of their background nor circumstances.

Our core belief is in the untapped potential within every individual, and we're here to guide our students on their path to academic excellence and personal growth. To empower you for the professional world, we offer a comprehensive range of courses, focusing on both technical and interpersonal skills, alongside immersive experiences within industry settings.
